Web registration entry sample (for FE Exam)

Notes

1) Be sure to use English keybord.

2) Fill in all necessary items and make sure there are no blanks.

3) If there is a mistake in entry, you will not be able to correct it yourself after registration, so please fill in carefully so that there is no mistake.

After completing the basic registration and clicking on Exam, the following screen is displayed. Select "Fundamentals of Engineering", select the special field from the next screen and click.

Select JPEC for the test board and click Continue.

Click on Agree.

The page of Special Accommodation is a page for preparing special facilities for people with handicapped etc. For the general public, select "No". If you chose "Yes" by any chance, you will be in the "Accommodation Hold" state because the facilities of people with handicapped are needed, registration will not proceed. Please note that in order to cancel this Hold, you need to contact NCEES via JPEC and make corrections from the US side.

Since this page is an order page for the examination reference handbook and online learning materials, you can purchase the necessary one in the cart.

If you do not need it please go to Continue.
